Ellery's never been to Echo Ridge, but she's heard all about it. It's where her aunt went missing at age sixteen, never to return. Where a Homecoming Queen's murder five years ago made national news. And now she has to live there with her estranged grandmother, after her mother lands in rehab. Malcolm grew up in the shadow of the Homecoming Queen's death. His older brother was the prime suspect and left Echo Ridge in disgrace. But now he's back—just as mysterious threats appear around town, hinting that a killer will strike again. Then another girl disappears. As Ellery and Malcolm race to unravel what happened, they realise every secret has layers in Echo Ridge. The CousinsThe Storys are the envy of their neighbours: owners of the largest property on their East Coast island, they are rich, beautiful, and close. Until it all falls apart. The four children are suddenly dropped by their mother with a single sentence: You know what you did. They never hear from her again. Years later, when 18-year-old cousins Aubrey, Milly and Jonah Story receive a mysterious invitation to spend the summer at their grandmother's resort, they have no choice but to follow their curiosity and meet the woman who's been such an enigma their entire lives. This entire family is built on secrets, right? It's the Story legacy. This summer, the teenagers are determined to discover the truth at the heart of their family. But some secrets are better left alone. One Of Us Is NextIt's been a year since the events of One Of Us Is Lying. But nothing has settled for the residents of Bayview. Not now someone has started playing a sinister game of Truth or Dare. Choose truth? You must reveal your darkest secret. Choose dare? Well, that could be even more dangerous. Even deadly. When the game takes an even darker turn, suddenly no one at Bayview High knows who to trust. But they need to find out who is behind the game, before it's too late. McManus burst onto the YA scene with her debut One of Us Is Lying. Now, she's ready to reveal what's Next. EW can exclusively announce that One of Us Is Next, the official sequel to One of Us Is Lying, will be published in early 2020, with a hefty first printing of 250,000 copies. It's the latest landmark for McManus, whose first book spent well over a year on the New York Times best-seller list. Her follow-up, the standalone suspense novel Two Can Keep a Secret, was also an instant best-seller that drew critical acclaim. ("This is a murder-mystery, and a damn good one," EW wrote back in January.) One of Us Is Next takes readers back to Bayview High a year after Simon's death, and no one's been able to satisfy the gossip hunger quite like he could. That changes when someone starts playing a lethal game of Truth or Dare — where choosing the truth may reveal your darkest secrets, and accepting the dare can lead to danger and even death. Simon may be gone, but someone's determined to keep his legacy alive — at any cost. In One of Us Is Next, fans will learn what the Bayview Four are up to and meet intriguing new characters who will keep them turning the pages. "One of Us Is Next is going to satisfy both new readers and existing fans," Krista Marino, Senior Executive Editor of Delacorte Press, said in a statement. "Karen's readers have been clamoring for this book to see what happens next in the world of Bayview High, and they won't be disappointed. Karen has delivered another addictive and compelling thriller that is shocking, exhilarating, and incredibly satisfying."
